A GUIDE FOR BUSINESS

BRNO FOR BUSINESS

Your team has plans in Brno.
We will help you find their accommodation.

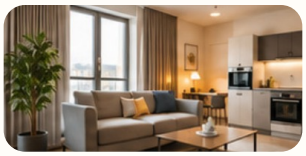

A practical guide to business stays, team accommodation and long-term partnerships.

- Accommodation for teams and individuals
- Flexible dates
- Business invoicing
- Great locations in Brno
- Long-term partnerships

What will you find inside?

Everything you need to know about comfortable, efficient and long-term accommodation for your employees in Brno.

Types of accommodation

Rooms, apartments and shared facilities to suit your team.

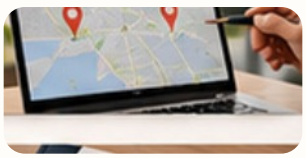

Solutions for business travel

Short and longer stays, project teams, training and installation work.

Strategic locations

Close to BVV, business centres, universities and transport hubs.

A partnership that makes sense

A tailored offer, transparent terms and long-term cooperation.

Practical tips and an overview

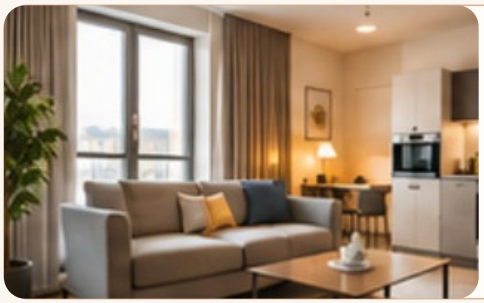

Choosing suitable accommodation, organising your stay and planning efficiently.

Your practical guide to business accommodation in Brno.

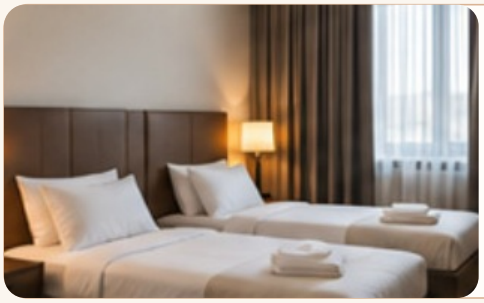

01 | Types of accommodation

Choose accommodation that best suits your team, the length of the stay, and your requirements for comfort, privacy and operating costs.

Self-contained apartments

Ideal for guests who want maximum privacy, peace and their own facilities. A fully equipped kitchen, bathroom and home-like comfort make these suitable for individuals, couples and smaller teams on short or longer stays.

ROOMS - private rooms

A practical option with shared facilities: a kitchen, bathroom and communal areas. A good balance of price and comfort for small teams and longer stays, with functionality and a friendly atmosphere.

Budget and workforce accommodation

Cost-effective accommodation for work-related stays and larger teams. Two established locations: Turgeněvova 7 offers practical facilities in a quieter part of Brno, with good access to the centre and main industrial areas. Workhouse on Dukelská třída offers modern, functional accommodation for working teams with excellent transport connections.

DECISION GUIDE

Choose the right type of stay with these questions.

Guest numbers	Travelling alone, as a pair or with the whole team?
Length of stay	Short (days), medium (weeks) or long-term?
Privacy	Your own facilities, or does shared accommodation suit you?
Kitchen	Is your own kitchen and the option to cook important?
Transport	Do you need the centre, a work location or public transport nearby?
Budget	Maximum comfort, or primarily an efficient cost solution?

02 | Solutions for business travel

Flexible, reliable accommodation for companies sending employees to Brno for business trips, projects or regular stays.

Individual business trips

Comfortable, flexible accommodation for business trips, training, meetings and short projects. Quick booking, fully equipped facilities and excellent connections across Brno.

Project and installation teams

A practical solution with flexible capacity for projects, installation work and service visits. Accommodation for several people in one place, with a kitchen, shared facilities and favourable terms for longer stays.

Regular company stays

A stable, long-term partnership for companies that send employees to Brno repeatedly. Framework terms, priority capacity and smooth accommodation arrangements to match changing needs.

ILLUSTRATIVE EXAMPLE / A team of 10 in Brno for 3 weeks

Brief Accommodation for a 10-person team during a three-week installation project in Brno.

Solution Budget and workforce accommodation at Workhouse on Dukelská třída.

Outcome Comfortable, cost-effective and practical facilities, with a kitchen, shared spaces and easy access to the project site.

03 | Strategic locations

The right location saves time, simplifies team logistics and supports efficient projects. In Brno, choose accommodation around the journey to work, the city centre, BVV Exhibition Centre and specific addresses such as Turgeněvova 7 or Workhouse.

Your commute

Think about your most frequent journeys: to the office, clients or meetings.

Brno city centre

Ideal for quick meetings, services and evening networking within walking distance.

BVV

A great choice for trade fairs, conferences and specialist events at Brno Exhibition Centre.

Turgeněvova 7

Modern accommodation in an accessible location with excellent connections to the centre and BVV, suitable for teams and longer stays.

Workhouse

Combines accommodation, work facilities and flexible spaces. Ideal for teams, projects and long-term partnerships.

Practical tip: Before booking, check parking options and realistic journey times. A private parking space is not automatically included with every property.

04 | A partnership that makes sense

A simple, transparent and reliable process, from your initial brief to arrival. Clear information for your team, so everything runs smoothly.

1 **Your brief**

Tell us the basics: dates, guest numbers, the purpose of the stay and any specific team needs.

2 **Assessment**

We check suitable options, location, capacity, facilities and all the important details.

3 **Your offer**

We prepare a clear offer covering accommodation terms, price and additional services.

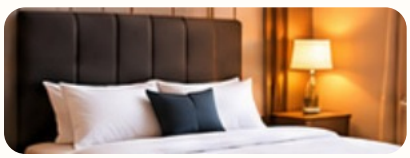

4 **Confirmation**

Once you approve, we confirm the booking and send payment and arrival instructions.

5 **Arrival and documents**

Once payment has been received, we send everything needed for arrival, including access details where self-check-in applies. At Duplex Mezonets, Poštovská 3, a manager checks guests in personally.

Self-check-in: the rule and one exception

Self-check-in applies to all accommodation except Duplex Mezonets. We send the code after 14:00 on the day of arrival, provided full payment has been received no later than 14:00. At Duplex Mezonets, Poštovská 3, a manager checks guests in personally.

05 | Practical checklist

Clarify the key details before sending your business enquiry. They help us prepare a prompt, accurate and competitive offer tailored to your team.

Number of travellers
Give the exact number of guests and ideally their roles, such as technicians or a project team.

Kitchen and equipment
Do you need a fully equipped kitchen, cooking facilities and greater independence on a longer stay?

Exact dates
State arrival and departure dates, for example 10-14 March 2025.

Bathroom and facilities
Specify bathroom needs, such as a private bathroom, several bathrooms or a washing machine and dryer.

Possible extensions
Tell us whether you may extend the stay by days or weeks, or as the project develops.

Transport and parking
Say whether you need on-site or garage parking, or good public transport connections.

Accommodation standard
Specify the preferred level, such as comfort, business or a higher standard.

Approval and invoicing
Who is responsible for the stay and approves the offer? Who should be invoiced: company, registration number, purchase order and any specific requirements?

06 | Three sample scenarios

Examples of how companies commonly use INDOMUS business accommodation in Brno.

A

A two-day business trip
A team of 1-3 people on a short stay in central Brno.

- Quick, comfortable accommodation
- Easy access to meetings
- Invoicing to the company

B

A four-week construction project
A delivery team of 4-8 people staying for one phase of a project.

- Spacious apartments with a kitchen
- Washing machine, facilities and parking
- Option to extend to suit the schedule

C

Regular business cooperation
Repeated stays for smaller teams throughout the year.

- Flexible capacity and priority availability
- Stable terms and favourable rates
- Simple administration and clear invoicing

07 | Let's work together

A reliable base for your team in Brno.

Thank you for reading BRNO FOR BUSINESS. We hope it has given you a practical overview and ideas for arranging accommodation efficiently for your employees, teams and business partners.

We would be happy to prepare a tailored offer for you: promptly, clearly and with your business needs in mind.

What should your business enquiry include?

To help us prepare a suitable offer as quickly as possible, please include:

- **Guest numbers and team composition**
- **Stay dates, from and to**
- **Required standard and facilities, including kitchen and bathroom**
- **Transport and parking requirements**
- **Approval, invoicing and billing details**
- **Any other needs, such as extensions, frequency or scope**

A no-obligation business enquiry
